Dear colleague,

On behalf of the GRECMIP (Mini Invasive Foot and Ankle Study Group), we are pleased to invite you to the

“Live Surgery Festival of Foot and Ankle”

The Festival is an interactive live surgery session with three operating theatres and full high definition transmission of, for example, the use of arthroscopic surgery for correction of fore-foot conditions, chevron osteotomy, Lapidus, Morton's, ... and hindfoot problems (subtalar arthrodesis).

We look forward to seeing you in Paris

Regards,

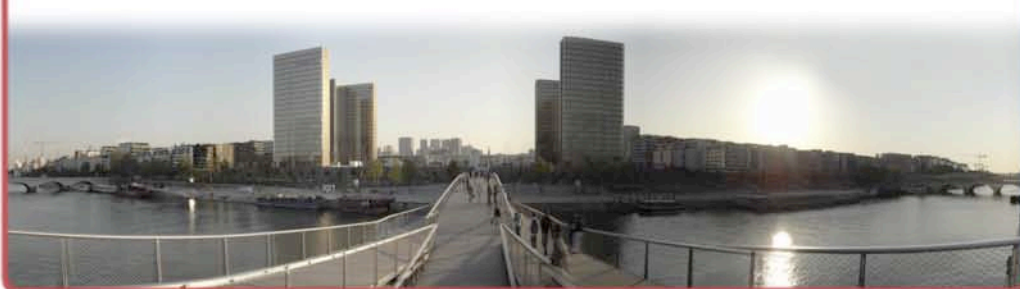

Organizing Committee
